ACTYON

ACT YOUNG

Introducing the all-new KGM Actyon: a premium compact SUV coupe that redefines your driving experience with finesse, sophistication, and a bold new outlook. Celebrating KGM's 70th anniversary, Actyon blends innovation and individuality with practicality and performance.

INTRODUCTION

PRACTICAL CREATIVITY

K50

Super charged with specification. Luxurious exterior and interior packed with the latest technology and safety features.

Iron Silver

Drivetrain

- Power: 163-PS
- Torque: 280-Nm
- Front wheel drive

Exterior

- 20" alloy wheels
- Kick motion powered tailgate
- Privacy glass on rear doors, quarter and tailgate
- LED headlights including LED daytime running lights and LED indicators

Interior & Connectivity

- Premium nappa leather seats with suede inserts
- Power adjustable heated and ventilated front seats
- Heated leather steering wheel
- Automatic dual-zone air conditioning
- 12.3" full digital instrument cluster
- 12.3" smart audio screen with rear-view camera, Bluetooth connectivity & navigation
- Apple CarPlay and Google Android Auto

Safety

- 8-airbags
- Smart safety features including: Autonomous Emergency Braking, Safety Distance Alert, Lane Departure Warning, Front Vehicle Start Alert, Forward Collision Warning, Lane Keeping Assist, Speed Limit Warning, Rear Cross Traffic Assist, Blind Spot Assist, Safety Exit Warning

COLOUR AND TRIM

Driving the Actyon says something about you. Your choice of colour says something more. There's a range of sophisticated colours to match your personality.

Space Black

Dandy Blue

Iron Silver

Forest Green

Grand White

DIMENSIONS

Every angle and detail designed with the best driving experience in mind. Whether parked kerbside, on the driveway or in the garage, our size guide will help you plan for work, rest, and play.

POWERFUL, DYNAMIC AND FUN

With exceptional fuel efficiency and dynamic driving performance, the Actyon is equipped with a powertrain that excels in the city and is ready to meet your daily needs.

1.5 GDI turbo petrol engine

With the global trend for high-performance downsized engines, this unit delivers maximum torque from a low of 1,500rpm, for dynamic driving in everyday life.

Max Power	Max Torque
163PS	280Nm
5,000-5,500rpm	1,500-4,000rpm

Idle stop & go system (ISG)

When the vehicle is stationary (and the brake pedal is pressed), the engine automatically stops running. This prevents it idling and improves fuel economy.

Aisin 3rd generation automatic transmission

Fitted to some of the best cars in the world, the tested and proven Aisin 6-speed automatic offers smooth, quiet gear changes with maximum fuel efficiency.

Driving mode system

The driver can select one of three driving modes, Comfort, Sport, and Winter are available, allowing you to select the driving mode that best suits the driving environment and your needs.

POWERED BY TOUGHNESS

Actyon sets a new benchmark for urban SUVs with its dynamic and stylish coupe characteristics, perfectly suited to modern life. Rooted in KGM's design philosophy, 'Powered by Toughness,' Actyon's exterior exudes strength and elegance in equal measure, making it a bold and confident choice for the city driver.

Bonnet detailing

The bonnet detailing, reminiscent of a handle, serves as an homage to the era of traditional SUVs.

Headlamps & Korean flag-inspired grille

The high-gloss headlamps and Korean flag-inspired intake grille further emphasise the Actyon's bold stance.

Alloy wheels

The large 20-inch diamond-cut alloy wheels feature a sleek and dynamic geometric design for a truly sporty look.

	Geon Sky		Gon Earth		Gam Water		Ri Fire
--	-------------	--	--------------	--	--------------	--	------------

Korean flag-inspired DRLs

The Korean flag motif is applied to the daytime running lights as an expression of KGM's unique identity.

EXTERIOR DESIGN

FEATURES

Shapes and motifs inspired by the Korean flag convey a powerful image and showcase KGM's compelling and unique identity. They also accentuate the Actyon's bold body stance and overall strong voluminous feel.

MAKE A SPLASH

Horizontal positioning lamps

Korean flag-inspired rear combination lamps

Black roof rails

A SPORTY YET QUIET DRIVE

Get away from the urban noises and immerse yourself in a serene environment where you can truly focus on the road and your journey.

Laminated Front Door Glass with Solar Control
 Laminated solar control soundproof glass is applied to the front door windows to effectively block external and road noise.

Noise-cancelling Michelin tyres
 Reduce road noise and tyre resonance by 50%, which is a 10 dB decrease in perceived noise.

Pillar pads
 Maximised application of sound absorbing foam material to the internal channels of the A, B & C pillars minimises wind noise and improves interior quietness by preventing the ingress of external noise and minimising noise resonance.

Underfloor damping and seat/roof panel sound absorbing materials
 A damping sheet is applied to the underfloor to reduce road and interior noise while sound-absorbing material is applied to the roof panel to mitigate the noise from wind and rain.

INTERIOR & CONNECTIVITY

DRIVER-CENTRIC COMFORT AND CONTROL

Step inside the KGM Actyon and experience a cockpit designed for the driver, blending cutting-edge technology with an ergonomic layout. The intuitive dashboard provides easy access to tech features like a high-definition touchscreen, smartphone integration, and navigation. Premium materials and adjustable seating ensure a comfortable drive with everything at your fingertips.

12.3" full colour LCD cluster

Leather steering wheel

Automatic dual-zone air conditioning

Floating centre console

INTERIOR & CONNECTIVITY

THOUGHTFUL TOUCHES

Enjoy a range of advanced features designed to make every drive more enjoyable. Every detail has been crafted to enhance your comfort and ease on the road.

Overhead console with touch-controlled LED cabin lamps

Door map pockets

Heated steering wheel

12V power socket. Front and rear USB

Glowing crystal gear switch

Electric parking brake

Customisable ambient lighting

INTERIOR & CONNECTIVITY

BEAUTIFUL OUTSIDE AND IN

HAVE IT YOUR WAY

Experience a thoughtfully crafted interior that prioritises convenience, comfort, and relaxation. With adjustable seating positions and intuitive features, the KGM Actyon interior allows you to personalise your space to match your unique style and needs. Every detail has been designed to ensure a balanced driving experience where you feel safe, secure, and fully at ease on every journey.

STRETCH YOUR LEGS

Experience luxury and comfort with refined interior seating. Crafted with premium quilted leather, each seat offers exceptional support to enhance every journey. Surrounded by high-quality materials and tasteful accents in the cabin is designed to elevate your drive.

Power seats with lumbar support

Find your perfect position. Electrically adjust height, and lumbar positioning until you're sitting comfortably.

Reclining rear seats

Sit back, settle down and enjoy the ride. The rear seats recline, so adjust your seat position to achieve the right level of comfort and relaxation.

Heated seats, front and rear

When there's a chill in the air, a warm, welcoming heated seat creates the perfect environment for you to enjoy the ride.

Ventilated front seats

When the temperature's rising, a gentle stream of refreshing chilled air will help you keep your cool.

ACTIVE SPACE FOR ACTIVE LIVES

The KGM Actyon offers exceptional versatility with its spacious boot, designed to adapt seamlessly to your lifestyle. With an impressive 668 litres of storage capacity, there's room for everything you need—from daily essentials to weekend adventure gear. For even greater space, fold down the rear seats to unlock a generous 1,568 litres, effortlessly accommodating larger items. Whatever your journey, the Actyon's flexible cargo area ensures you're always ready for what's next.

2nd row fully folded

2nd row unfolded

Internal tailgate opening button

2nd row 40% folded

2nd row 60% folded

BUILT FOR SAFETY

The Actyon sets a new standard in safety without compromise. With 8 strategically placed airbags and extensive use of high-tensile steel, it ensures top-tier protection for both driver and passengers. Additionally, each of the five seats is equipped with a seatbelt reminder, making safety a priority from the moment the engine starts.

8 AIRBAGS

Actyon has 8-airbags for the greatest possible protection in the event of a sudden stop.

- 1 Driver's airbag
- 2 Driver's knee airbag
- 3 Passenger's airbag
- 4/5 Curtain airbags
- 6/7 Driver's & passenger's side airbags
- 8 Seat centre airbag

78%

High-Tensile Steel

The rigidity, integrity and safety of the bodyshell have been strengthened by using high-tensile steel in 78% of its construction while also utilising Hot Press Forming.

ADVANCED DRIVING ASSISTANCE SYSTEM

Brake Assistance System (BAS)

Applies maximum brake force when panic or sudden braking by the driver is detected, significantly reducing braking distance in emergency situations

Lane Departure Warning (LDW)

Notifies the driver when the forward camera module detects an unintended lane departure by the vehicle.

Smart High Beam (SHB)

Automatically lowers the high beams when an approaching vehicle is detected, making night-driving easier.

Safety Distance Alert (SDA)

Detects the distance to the vehicle ahead and warns the driver when a safe distance is not properly maintained.

Front Vehicle Start Alert (FVSA)

Attracts driver's attention with a visual pop-up alert and audible sound when the vehicle directly in front is pulling away.

Blind Spot-Detection (BSD)

Detects vehicles rapidly approaching from behind and flashes a warning light on the outside mirror, to alert the driver.

Lane Keeping Assist (LKA)

LKA uses a front camera to monitor the painted lane markers. On detecting an attempt to change lane without prior signalling, it automatically corrects the electric power steering to keep the vehicle within the intended lane.

Rear Cross Traffic Assist (RCTA)

When reversing and an approaching vehicle is detected in its path, RCTA sounds an alarm and automatically applies the brakes to stop the vehicle and minimise the risk of collision.

Safety Exit Warning (SEW)

Warns of the risk of collision with vehicles in the blind spot when an occupant opens a door to get out of the vehicle once stationary.

Driver Attention Alert (DAA)

If the DAA system senses the driver's attention level has been significantly reduced, it will give an audible warning and display a graphic on instrument cluster.

SAFETY FEATURES

Category

Electronic Brake Force Distribution	Rear wheel lock prevention when braking	EBD
Brake Assistance System	Applies maximum brake force when panic or sudden braking by the driver is detected, significantly reducing braking distance in emergency situations	BAS
Hill Descent Control	Automatically brakes to maintain a constant speed without driver intervention when descending a slope at low speeds	HDC
Fading Brake Compensation	Compensates for braking pressure lost due to brake fading to maintain the pre-fading braking distance	FBC
Rear Cross Traffic-Collision Avoidance-Assist	Detects vehicles approaching from the sides and alerts the driver when reversing out of a parking space	RCTA
Automatic Vehicle Hold	Prevents vehicle roll-back when starting from a standstill on an incline	AVH
Emergency Stop Signal	Flashes the brake lights or hazard lights during sudden braking or when ABS is activated to warn trailing drivers	ESS
Active Roll-Over Protection	Recognises impending rollover and selectively applies brakes to reduce the risk of on-road rollover situations	ARP
Cornering Brake Control	Controls braking force of each wheel during braking in cornering sections to ensure vehicle stability	CBC

Category

Trailer Stability Assist	Detects when a trailer is starting to oscillate and corrects any dangerous trailer swing through a combination of either torque reduction and/or individual wheel braking	TSA
Blind Spot Assist	Automatically steers and/or brakes during a lane change maneuver when the turn signal is activated and a vehicle is occupying a blind spot in an adjacent lane	BSA
Active Cruise Control With Stop & Go	Maintains a preset speed and distance from the vehicle ahead and can even bring the vehicle to a complete stop	ACC
Engine Drag Control	Selectively accelerates to restore driving stability when the driven wheels experience slippage	EDC
Hill Start Assist	Helps prevent roll-back when starting up again after stopped on an incline by maintaining brake pressure for 2-3 seconds after releasing the brake pedal	HSA
Dynamic Steering Torque Control	Provides appropriate steering torque compensation when necessary to improve steering performance and vehicle stability	DST
Start-Stop (Idle Stop & Go) Support Functionality	Automatically shuts off the engine when the vehicle is at a standstill to reduce fuel consumption	ISG
Multi Collision Brake	Appropriate levels of braking applied to the wheels to reduce risk of secondary accidents when a frontal/side collision engages the airbags	MCB

3-YEAR SERVICE PLANS

A KGM service plan will help maintain the warranty, prolong vehicle life, sustain vehicle performance and aid trouble-free motoring - giving peace of mind at a manageable monthly cost.

A KGM service plan covers new vehicles from registration** and covers the following;

- ✓ The vehicle's first 3-services
- ✓ The vehicle's first M.O.T
- ✓ 2-years extended RAC roadside recovery

£35.00*
PER MONTH

* Service plan payments for a term of 34-months.

** Service plans are also available on used vehicles however pricing will vary, please contact your local dealer for a quote.

CUSTOMER SERVICES

We care passionately about delivering outstanding customer service. Attention to detail is important, so any question you ask, we'll do our very best to answer it.

0333 444 1954

customerservices@kgm-motors.co.uk

KGM ASSISTANCE

All KGM new vehicles come with 12-months Roadside Assistance, providing you with the best level of customer care both in the UK and on Mainland Europe.

5-YEAR WARRANTY

It's reassuring to know that the Actyon comes with a 5-year / 100,000-mile warranty. It's a Korean thing. When we promise something, we stick to it. If something goes wrong and it's definitely our fault, we fix it. Our customers like it, and they tell other people about it. So everybody's happy.
