DRIVETRAIN

DUAL-TECH HYBRID FOR QUIET, EFFICIENT DRIVING

By integrating dual motors with an efficient e-DHT, hybrid system achieves up to 94% electric-mode driving in city environments — combining near-silent operation with remarkable fuel efficiency.

Dual-Tech Hybrid System

KGM's high-efficiency hybrid combines a dedicated HEV engine with a powerful dual-motor e-DHT for smooth performance and excellent fuel economy.

Up to in urban driving

94%

in EV mode

Up to

46.4

MPG Combined WLTP

Aisin 3rd generation automatic transmission

Fitted to some of the best cars in the world, the tested and proven Aisin 6-speed automatic offers smooth, quiet gear changes with maximum fuel efficiency.

Smart Frequency Damper

The Smart Frequency Damper enhances ride stability and comfort by intelligently absorbing road vibrations.

9 Hybrid Driving Modes

The dual-motor e-DHT system enables a total of nine versatile hybrid driving modes, including EV mode, HEV mode, and engine drive mode.

POWERED BY TOUGHNESS

Actyon Hybrid sets a new benchmark for urban SUVs with its dynamic and stylish coupe characteristics, perfectly suited to modern life. Rooted in KGM's design philosophy, 'Powered by Toughness,' Actyon Hybrid's exterior exudes strength and elegance in equal measure, making it a bold and confident choice for the city driver.

Korean flag-inspired DRLs

The Korean flag motif is applied to the daytime running lights as an expression of KGM's unique identity.

Bonnet detailing

The bonnet detailing, reminiscent of a handle, serves as an homage to the era of traditional SUVs.

Headlamps & Korean flag-inspired grille

The high-gloss headlamps and Korean flag-inspired intake grille further emphasise the Actyon Hybrid's bold stance.

Alloy wheels

The large 20-inch diamond-cut alloy wheels feature a sleek and dynamic geometric design for a truly sporty look.

FEATURES

Shapes and motifs inspired by the Korean flag convey a powerful image and showcase KGM's compelling and unique identity. They also accentuate the Actyon Hybrid's bold body stance and overall strong voluminous feel.

MAKE A SPLASH

Horizontal positioning lamps

Korean flag-inspired rear combination lamps

Black roof rails

A SPORTY YET QUIET DRIVE

Get away from the urban noises and immerse yourself in a serene environment where you can truly focus on the road and your journey.

Laminated Front Door Glass with Solar Control

Laminated solar control soundproof glass is applied to the front door windows to effectively block external and road noise.

Noise-cancelling Michelin tyres

Reduce road noise and tyre resonance by 50%, which is a 10 dB decrease in perceived noise.

Pillar pads

Maximised application of sound absorbing foam material to the internal channels of the A, B & C pillars minimises wind noise and improves interior quietness by preventing the ingress of external noise and minimising noise resonance.

Underfloor damping and seat/roof panel sound absorbing materials

A damping sheet is applied to the underfloor to reduce road and interior noise while sound-absorbing material is applied to the roof panel to mitigate the noise from wind and rain.

INTERIOR & CONNECTIVITY

DRIVER-CENTRIC COMFORT AND CONTROL

Step inside the KGM Actyon Hybrid and experience a cockpit designed for the driver, blending cutting-edge technology with an ergonomic layout. The intuitive dashboard provides easy access to tech features like a high-definition touchscreen, smartphone integration, and navigation. Premium materials and adjustable seating ensure a comfortable drive with everything at your fingertips.

12.3" full colour LCD cluster

Leather steering wheel

Automatic dual-zone air conditioning

Floating centre console

ERGONOMIC

Overhead console with touch-controlled LED cabin lamps

Customisable ambient lighting

THOUGHTFUL TOUCHES

Enjoy a range of advanced features designed to make every drive more enjoyable. Every detail has been crafted to enhance your comfort and ease on the road.

INTERIOR & CONNECTIVITY

BEAUTIFUL OUTSIDE AND IN

HAVE IT YOUR WAY

Experience a thoughtfully crafted interior that prioritises convenience, comfort, and relaxation. With adjustable seating positions and intuitive features, the KGM Actyon Hybrid interior allows you to personalise your space to match your unique style and needs. Every detail has been designed to ensure a balanced driving experience where you feel safe, secure, and fully at ease on every journey.

Heated seats, front and rear

When there's a chill in the air, a warm, welcoming heated seat creates the perfect environment for you to enjoy the ride.

Ventilated front seats

When the temperature's rising, a gentle stream of refreshing chilled air will help you keep your cool.

STRETCH YOUR LEGS

Experience luxury and comfort with refined interior seating. Crafted with premium quilted leather, each seat offers exceptional support to enhance every journey. Surrounded by high-quality materials and tasteful accents in the cabin is designed to elevate your drive.

Power seats with lumbar support

Find your perfect position. Electrically adjust height, and lumbar positioning until you're sitting comfortably.

Reclining rear seats

Sit back, settle down and enjoy the ride. The rear seats recline, so adjust your seat position to achieve the right level of comfort and relaxation.

ACTIVE SPACE FOR ACTIVE LIVES

The KGM Actyon Hybrid offers exceptional versatility with its spacious boot, designed to adapt seamlessly to your lifestyle. With an impressive 668 litres of storage capacity, there's room for everything you need—from daily essentials to weekend adventure gear. For even greater space, fold down the rear seats to unlock a generous 1,440 litres, effortlessly accommodating larger items. Whatever your journey, the Actyon Hybrid's flexible cargo area ensures you're always ready for what's next.

SAFETY

78%

High-Tensile Steel

The rigidity, integrity and safety of the bodyshell have been strengthened by using high-tensile steel in 78% of its construction while also utilising Hot Press Forming.

BUILT FOR SAFETY

The Actyon Hybrid sets a new standard in safety without compromise. With 8 strategically placed airbags and extensive use of high-tensile steel, it ensures top-tier protection for both driver and passengers. Additionally, each of the five seats is equipped with a seatbelt reminder, making safety a priority from the moment the engine starts.

8 AIRBAGS

Actyon Hybrid has 8-airbags for the greatest possible protection in the event of a sudden stop.

- 1** Driver's airbag
- 2** Driver's knee airbag
- 3** Passenger's airbag
- 4/5** Curtain airbags
- 6/7** Driver's & passenger's side airbags
- 8** Seat centre airbag

ADVANCED DRIVING ASSISTANCE SYSTEM

Brake Assistance System (BAS)

Applies maximum brake force when panic or sudden braking by the driver is detected, significantly reducing braking distance in emergency situations

Lane Departure Warning (LDW)

Notifies the driver when the forward camera module detects an unintended lane departure by the vehicle.

Smart High Beam (SHB)

Automatically lowers the high beams when an approaching vehicle is detected, making night-driving easier.

Front Vehicle Start Alert (FVSA)

Attracts driver's attention with a visual pop-up alert and audible sound when the vehicle directly in front is pulling away.

Blind Spot-Detection (BSD)

Detects vehicles rapidly approaching from behind and flashes a warning light on the outside mirror, to alert the driver.

Lane Keeping Assist (LKA)

LKA uses a front camera to monitor the painted lane markers. On detecting an attempt to change lane without prior signalling, it automatically corrects the electric power steering to keep the vehicle within the intended lane.

Safety Distance Alert (SDA)

Detects the distance to the vehicle ahead and warns the driver when a safe distance is not properly maintained.

Driver Attention Alert (DAA)

If the DAA system senses the driver's attention level has been significantly reduced, it will give an audible warning and display a graphic on instrument cluster.

FEATURES

FEATURES

Discover a level of enjoyment beyond what's available in a typical SUV.

customerservices@kgm-motors.co.uk

KGM ASSISTANCE

All KGM new vehicles come with 12-months Roadside Assistance, providing you with the best level of customer care both in the UK and on Mainland Europe.

5-YEAR WARRANTY

It's reassuring to know that the Actyon Hybrid comes with a 5-year / 100,000-mile warranty. It's a Korean thing. When we promise something, we stick to it. If something goes wrong and it's definitely our fault, we fix it. Our customers like it, and they tell other people about it. So everybody's happy.
